

Data confidentiality agreements for Bulgaria National SILC and HBS data

- The Bulgaria Poverty team has an existing agreement with the Bulgaria NSI with restricted data access to the members included in the research proposal who have signed confidentiality declarations.
- Access to the national SILC and HBS data is based on having gone through an approval process a detailed research proposal, confidentiality agreements signed by each member of the team and some standard forms sent by the NSI.
- License terms are covered here:
<https://www.nsi.bg/en/content/14843/basic-page/license-use-statistical-information-produced-and-disseminated-national-statistical-institute>
- Access will be granted to all those with a valid research agreement and will be removed at the end of the agreement unless the user sends an extension or revised agreement.
- More details on microdata access can be found here:
