This review verifies the reproducibility of the exhibits included in the paper “*Ensuring an equal start for all Pakistani children: What will it cost?*”.

Contents in this review:

1. Main findings
2. List of exhibits and reproducibility status
3. Reproduction Environment

Main findings

- We conducted our reproducibility analysis based on the paper shared by the authors via OneDrive on April 10, 2024.
- We verified that the results of every exhibit originate from the cells with raw data, according to the documentation. Every exhibit has been reproduced accurately.
- **Reproducibility Summary:**
 - **Data:** Data sources are included in the reproducibility package.
 - **Excel functions:** All functions and Excel files (from cleaning to analysis) are included in the reproducibility package.
 - **Outputs:** All outputs are generated by Excel functions included in the reproducibility package.
 - **Reproducibility verification:** Reviewers had access to the same materials in the public reproducibility package.
